

ERA YOUTH REGISTRATION ON ICREW

RETURNING YOUTH ATHLETES

Using a Parent Account:

1. [Log in to your PARENT iCrew Account](#)
2. Visit your child's profile or add a new child
3. Click on the Register for new program link in your child's profile

Using a Youth Account:

1. [Log in to the youth iCrew Account](#)
2. Select Club Home
3. Scroll down to find the programs and select the one of interest

NEW FAMILIES

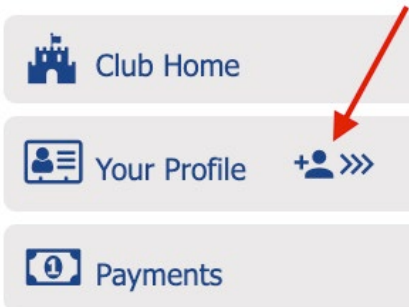

Follow the steps below to [create a parent account](#), set up your **child's profile**, and **register for a program**.

1. Create an iCrew Parent Account

The parent account allows you to create child accounts and register your youth for programs.

Click button on right to begin.

2. Create a child account

Click on the Add Child icon next to the Your Profile text. (For a second child, click on Your Profile and click on the Create iCrew Account for your child button.)

NOTE: To create a **new iCrew account** for a youth rower in your family, select the appropriate registration link below. If they already have an iCrew account, [tap here](#) to update your family unit.
